

CALIT2 Undergraduate Research Venture
TAKING YOU BEYOND THE CURV presents...

Make your own **GUITAR PEDAL**

* Free pizza + soda!

- * Bring your own breadboard to take home your new guitar pedal
- * Bring your guitar and amp to play after making your new guitar pedal!

Who: ECE + CS undergrads + anyone who is interested

What: Make & take home your own guitar pedal!

Where: Open Space - 5th floor - CALIT2

When: 5 - 8pm -Thursday, April 9th, 2009

Why: **Because it's fun being an engineer!**

Also, we want to make you aware of our **new electronics lab**.

How: With resistors, op-amps, capacitors... don't worry we'll help you.
